

Bloomfield Public Schools
District Data Teaming Calendar
2020-2021

Executive Summary

Bloomfield Public Schools have transformed in the nine years we have worked together. A clear focus on our four priorities has cultivated excellence in academics, athletics and the arts. The efforts of our talented students, staff, and engaged families, have created a thriving, contemporary school district.

While we have much more work to do, the four key priorities established by the Bloomfield community in 2011 continue to guide our work. Our consistent focus has led to improved outcomes for Bloomfield students. A key lever is the three levels of data teaming: Instructional, School-wide, and District.

On the pages that follow you will find the data teaming meetings scheduled within all of our schools for the 2020-21 school year.

Vision

Bloomfield Public Schools will be a high-performing district with an expectation of competitive academic achievement, a positive climate of inclusion, and a culture of meaningful family and community engagement.

Theory of Action

The Bloomfield Public Schools will successfully implement a comprehensive and collaborative accountability system characterized by data-supported planning and decision-making practices at every level, leading to strengthened **adult work** throughout the district. As a result, learning for all students will continue to improve, and be sustained over time.

Priority 1: Holistic Accountability

Goals

1. 70% or higher of students will meet or exceed Level 3 in ELA and Math as measured by the spring 2021 Star for K-8 schools, and College Board for high schools and Smarter Balanced Assessment.
2. 70% or higher of students will meet annual growth targets as measured by the Smarter Balanced Assessment.

Priority 2: Rigorous Curriculum, Instruction, and Assessment

Goals

1. BPS will develop a collegial, culturally and social emotional relevant, vertically articulated, standards-based curriculum that communicates the content, skills, practices and strategies that students can demonstrate as college and career-ready graduates and productive members of society.
2. 100% of students meet graduation requirements

Priority 3: Positive School Climate

Goals

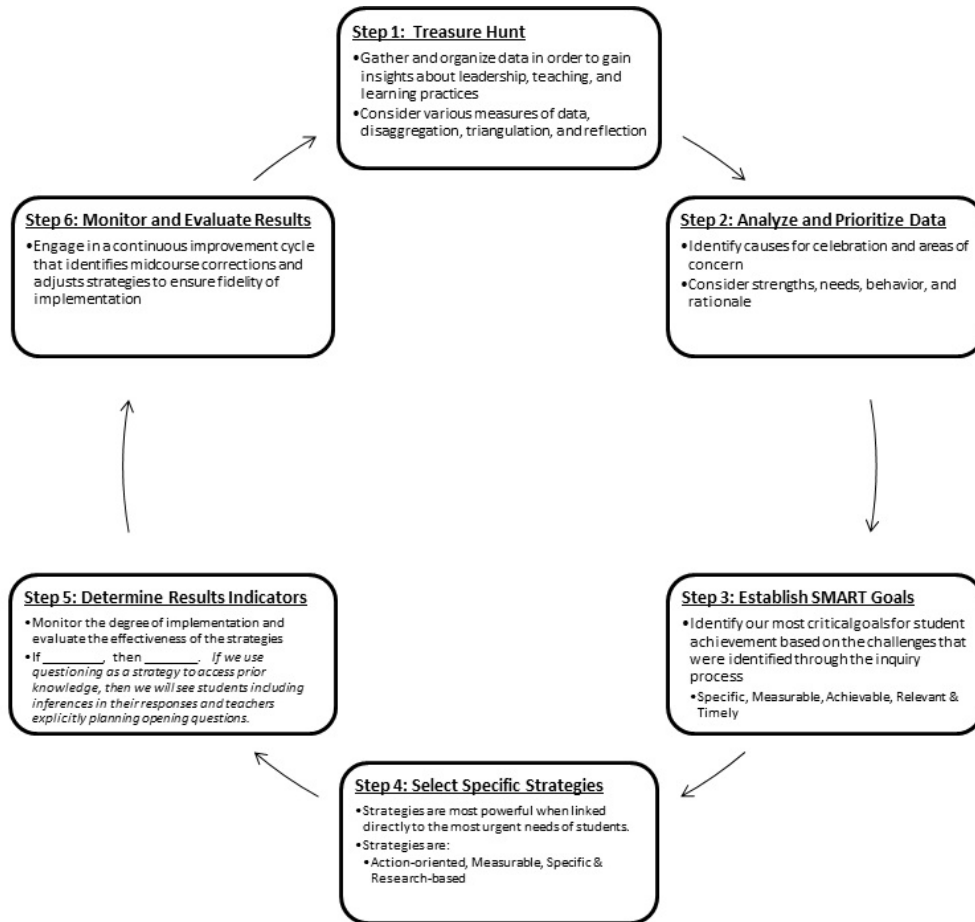

1. 100% of schools will implement Dr. Ross Greene's Continuous Proactive Solutions Model
2. Conduct Qualitative Focus Groups with families regarding Climate
3. Reduce chronic absenteeism to <5%
4. SEL Lessons written and provided to students at every grade level

Priority 4: Family and Community Engagement

Goals

1. Fortify Learning Pathways within the Bloomfield community
2. Supporting Families with online learning
3. 100% of our schools and community partners will engage families in equitable student learning opportunities
4. Community partnerships will be sustained and expanded.

The Data Teaming Process:

Resources to reflect on:

1. [Standards for Instructional Data Teams](#)
2. [Standards for School Data Teams](#)
3. [Standards for District Data Teams](#)
